2. All items will be priced inclusive of any packaging, shipping and delivery charges. Size of order and/or delivery location will have no impact on pricing.
3. All pricing proposed will be exclusive of any taxes charged to Rhode Island. Sales to the State of Rhode Island are exempt from State sales tax. All contract purchases made by State Agencies, Institutions of Higher Education and Quasi-Public Entities shall be counted towards the volume against which the volume rebates are calculated. For the first year of the contract only, the purchase period for which the volume rebate is calculated shall be June 1, 2004-June 30,

2005 (13 total months). The appropriate volume rebate percentage will be determined by using the tiers indicated in Schedule A, attached hereto.

Recommended additions and deletions will be reviewed

with Purchasing and revisions to the Contract List may follow, if agreed to by the Chief Purchasing Agent.

Contractor agrees that as items are moved from the non-core list to the core list during the annual usage review process, Contractor will work with the State to achieve the State's goal of a 50/50% split between core item and non-core item spending, respectively. In addition, Contractor agrees that the discount levels on any items added to the core list will be equal to the discount levels of existing items on the core list.

The terms of this contract shall supersede any language to the contrary on purchase orders, invoices or other documents provided by the Contractor, manufacturer(s) or other sources. The Contractor shall agree to repair and/or replace immediately without charge (including freight both ways) to Contract Users, any product or part thereof, which proves to be defective or fails within the warranty period as specified.
